Dear Ben and Nadyne, I am happy to let you know that I have scored 7 on writing with 8 overall. I want to say huge THANK YOU. Your "sentence guide with essay evaluation" course coupled with your priceless latest videos on youtube (with academic vocabulary for writing) has made it possible for me. My family and I are now one step closer to moving to Canada – thanks to you. Best regards Novruzova, Dear Ben, I am writing to express my annoyance with your Sentence Guide! I'm kidding!! I am happy to inform you that I got superb grades in the IELTS test (8.5 Listening, 9 Reading, 7 Speaking and 7 in Writing) in my first attempt. This is largely because your Sentence Guide worked exceptionally! Nilo hello there! Just to give you context of my situation I took writing lessons from you guys in Feb for my IELTS exam on 20 Feb. It was my second attempt and in my previous attempt I scored 6.5 in writing and in my second attempt I scored 6 :( . I applied for re-evaluation and I got my result today. So just wanted to inform you that i scored 5 now:(...LOL I am kidding my score has gone up to 7...I want to say heartfelt thank you to both of you for all the hard work you put in. All the lessons, feedback, test etc is so worth trying for all the students who want to score good in IELTS.... Thanks a lot guys. I have got my desired score (CLBP 9 for Canada PR) and writing section was one thing that I used to be afraid of, but this time I was so confident. I applied for re-evaluation coz of you guys. I had confidence that I would at least score 7 and I made it... Gwendolyn, I know its hard but please don't start finding mistakes in this email (especially the punctuation). I am in ecstatic mood today :P....You will play an important role in making my Canada dream come true ? ? :)... Your writing lessons have not only help in IELTS but in real life too. I can see massive improvement when I write office emails. Thanks a ton guys! Who is this online IELTS course for? Time poor students who need to get the writing section passed fastFull time workers and students, often concerned with the IELTS academic writingStudents who struggle with writing task two, getting ideas or organising their ideasThose who suffer from 'my mind goes blank'Students who want to: write essays, get feedback, and improve fast TrustPilot Reviews as of September 2021 Online IELTS Preparation Course Facts Many students are stuck at band score 6.5, taking test after test. IELTS again again and again? Stop wasting your money and end this frustration. Prepare online with all the convenience of working from home. One of the main reasons is that their IELTS preparation has been poor and inadequate. You see, IELTS is much more than perfect English grammar, you also need IELTS exam skills. Some online courses might have these exam skills in their courses, but very few courses include feedback to check if you are actually using the skills correctly. The pros and cons of preparing online Pros No travelling timeAccess to specialist tutors (not the general English tutor in the village!)Access the course at a time suitable for youMore cost effective than face-to-face classesIn high quality personalised dedicated feedback for fast improvement Cons Unless you have motivating tutors, you need to be disciplined to get the most out of an online course.A tiny level of computer / technical skills are needed (attaching word docs, copy pasting etc)Some courses can expire before you have a chance to complete them Discover online IELTS preparation strategies from Ben at IELTSPodcast At first Ben also found this IELTS exam frustrating and confusing! Even more humiliating was that he is a native English speaker! (UK) How did he end this confusion? He started interviewing the best tutors around to get the most effective and practical IELTS test strategies possible. Two podcasts are published each week, ranging from interviews to full tutorials, check them out on Spotify, Itunes etc. These interviews not only consist of experienced tutors, speaking experts, pronunciation experts but also our very students, often Band 9 students. After the interviews we test what works with our own online students. Eventually we discovered the best strategies and packed them into our online IELTS course. Exam techniques and key skills you will learn IELTS Exam: Reading Although we cover all the types of questions and various reading strategies, our main focus is the writing. From experience to succeed in the IELTS Reading and Listening tests it largely comes down to repeatedly completing practice tests (the Cambridge books are the best for this!). IELTS Exam: Speaking (covered) Speaking confidence is obtained quickly with our online course. We share band score improving strategies that quickly reduce nervousness. These strategies largely came from our IELTSPodcast interviews. Either from our very own successful IELTS students that share their secrets. Or with speaking / pronunciation / confidence building experts, also interviewed on the podcast by Ben. We also have cue card frameworks for you to adapt and practical quick and easy techniques that boost your fluency. IELTS Exam: Writing Task 1 (covered) General Our general task 1 course contains the exact phrases and a complete style guide for writing formal / informal letters and emails. Academic From experience we know most students struggle with choosing the right information and grouping it. Our course offers confidence building skills and covers vital vocabulary for each of the possible rubrics: pie charts, line graphs and bar chartsmap diagramsflow charts We even include a comprehensive framework to follow, this allows you to relax in the exam and focus on your writing -rather than the writing structure and plan. IELTS Exam: Academic Writing (covered) From over 10 years of focussing entirely on IELTS academic writing skills and essay correction, we can confidently improve every essay we review. We have modules to quickly help you write in an academic native speaker style. The online course contains essay plans and frameworks for you to adapt, these plans free up mental energy so you can focus on your writing. This makes it sooooo much easier on your IELTS exam day! We have entire modules that help you quickly grasp key exam criteria concepts such as Task Response and Cohesion / Coherence. You will answer IELTS exam questions recently seen in the exam. Every quarter we update the questions in our course with ones seen by our own students in real exams. This helps you stay up to date with the recent topics. Once a student answered the same question in her exam as she had answered in the our online IELTS course! Getting started with passing the IELTS test To start the course click on the 'buy now' button below. You will be taken to a secure server hosted on the LMS Teachable, with 256KB encryption. The green https and padlock sign on IELTSpodcast.Teachable.com is a sign you are using a secure connection.
